	Odpowiedz
Respondent 1520215	This type of project gives us the opportunity to meet new people, and their countries, and motivated me to speak more English, I think it's important to have these projects to captivate students for English language.
Respondent 1511503	Cultural changes.
Respondent 1507407	-
Respondent 1502283	4
Respondent 1498601	interact with another culture, make new friends from other countries have new experiences that were previously virtually impossible
Respondent 1490784	All the members involved in the project have a chance to meet people from other countries, to know their culture, etc... I think it's a great project, because we can learn more about other countries.
Respondent 1489074	I think that the website could be more appealing and more comprehensive.
Respondent 1486372	It is the most interesting project I was involved in. We talk a lot about it, it is a point of interest for many of us. To be in touch with students from another countries is the biggest benefit for us. We can be together and see how our lives are similar or not.

	We are now more often in touch with our teachers and we speak about interesting things, they trust us, they spend with us more time.
Respondent 1485033	It is an opportunity for us to meet students from Europe and learn about their way of life, see nice places from Europe, find out how nice is the world of animals and plants in a more attractive way. We learned a lot about biodiversity, it was very interesting to prepare presentations in English language, to make our projects, to study about our world, to be fully involved. I felt like a "true scientist".
Respondent 1479358	more knowledge
Respondent 1478844	I think that this kind of project bring some benefits for schools, students and teachers because, for example, when there is a meeting, all of the students and teachers of the countries involved work together with the objective that everything is ready for the meeting. I also thing that this project contributed for the students and teachers be more intersted in the themes that the project proposes. Other benefit of the project is that it can teach us how to work in a team, because everyboy involved in the project must have that team spirit for the success of the project.
Respondent 1472226	This kind of projects is very important for schools, students and teachers because it allows us to meet new people and involves schools from all over the world.
Respondent 1464022	This project has lots of benefits for all who are involved in it such as: the students and teachers have the opportunity of getting knowledge of another countries and cultures. They can also have a direct contact with people with diffrent customs. Futhermore, these kind of projects allow schools to have a greater international recognition.
Respondent 1463018	knowing new cultures, people and training english
Respondent 1434354	It is good to learn much more about plants and animals, to make friends and practising the foreign languages.
Respondent 1434132	A better information about biodiversity of rivers and practising the foreign languages
Respondent 1425317	It's a good experience for everyone, the students and the teachers, because we can learn new things and communicate with the others countries thanks to English. Participate at this project make us proud because it makes us responsible of an important thing.
Respondent 1414265	It's a good way to improve student's level in english. It changes from the traditionnal methods of teaching the language.
Respondent 1414261	Increase knowledge of language and about biodiversity , discover new culture and new people
Respondent 1413044	I believe that both students and teachers should start working more together.
Respondent 1412997	We gained new friends, knowledge, we have better relationships with our teachers
Respondent 1412933	Students and teachers benefit a lot from this program. Because, everyone comes accross new situations and new experiences that help them to be better as people and of course in their work!
Respondent 1412778	Μας βοηθα να γνωρισουμε καινουριους πολιτισμους
Respondent 1411897	Students can exercise language meet new people and get to know them culture

## 18. What problems do you notice in the project? Could you

Odpowiedzi: 21 (38%)  
Pominięć: 34 (62%)

## suggest how to solve it?

	Odpowiedz
Respondent 1520215	I do not think there were any problems, I really enjoyed taking part in this project. Was a good experience.
Respondent 1511503	Not everyone could able to speak english.It is a big problem
Respondent 1507407	In the meetings, power point shows and slide shows can be more interesting and fun
Respondent 1502283	5
Respondent 1498601	for me it was perfect, and if there were any errors. I did not even realized it had happened
Respondent 1490784	In my opinion, the project don't have any problems at all.
Respondent 1489074	The project is very good and helpful but should be for all the students but I know that would be impossible.
Respondent 1486372	I want to make more many trips in nature and study more about biodiversity. We don't had the opportunity to go in longer trips, so we can really make our researches.
Respondent 1485033	The only "problem" is that we made good friends and we'll never see them again.
Respondent 1479358	none
Respondent 1478844	I didn't see any problem.
Respondent 1472226	I can't find problems in the project. I think everything is going very well!
Respondent 1464022	The students sometimes can't communicate with each other because of the distance. So, I think we should try to improve our ways of communicating.
Respondent 1463018	no
Respondent 1434354	I think there isn't any problem in this project.
Respondent 1434132	To participate more students in the project
Respondent 1425317	Not everyone can travel to the country where they want to go and the communication between the countries is not very present.
Respondent 1414265	The biodiversity thema isn't really present in the project, maybe we could make it more present.
Respondent 1412933	I believe that there is a problem with the web site of the project because only teachers post in there and students dont have any involvment! I think that it might be better to have two web sites, one for the teachers and one for the students. So,everybody will keep in touch with the others!
Respondent 1412778	Πιστευω πως δεν ειχε προβληματα
Respondent 1411637	There is no problems.
